

2023 DOTAC Assembly

Minneapolis, MN | August 14-18, 2023

*We will gather on Dakota land, near Bdote – the sacred place where two rivers meet
To connect as ecumenical and international diaconal community
In lament of a world of
 racism and ecological gloom
 poverty and pandemic
 war and uprooted people
To claim healing for ourselves, the planet, and its people
And move toward holy joy in our work for justice*
